FAQs About Kitsap Woodcarvers

Q: What is Kitsap Woodcarvers all about?

A: We are a group of local people that meet together to share our passion – woodcarving – but we enjoy other wood related arts and crafts too. We want to pass on the 'noble art' of woodcarving, (perhaps mankind's oldest craft) to new generations so that it is always a part of our rich heritage.

Q: How old is the club?

A: We are a local non-profit organization that was established by Kitsap residents in 1973.

Q: Can I be a woodcarver?

A: Absolutely! We invite you and your family to join our "club" and learn to carve with us, step-by-step, in a safe and controlled manner. Your children can learn to carve along with mom and dad!

Q: Where are the meetings held?

A: The monthly club meeting is in Port Orchard, in the Active Club Recreation Building, on west side of the Givens Center complex. There are also casual weekly get togethers. Details below.
