## PRESIDENT'S CORNER

For the past four years (two as vice-president and two as president) I have enjoyed being close to the inner-workings of our club. It was a very rewarding experience to watch our club grow and advance in the art of woodcarving. I must admit that any success I might have experienced in either of these two positions was a direct result of the support, guidance and advice I received from Mark Campbell, Bobbie Kuniyuki, Carol Cleveland, Greg Warner, Raleigh Minard, Jeff Iller, Annette Shelton and the many club members (too numerous to mention) who were always willing to help out. We have a very strong and active club and I foresee much growth and a lot of chips flying in our future.

Thank you all for letting me serve you.

*"May the grain be with you."*

*Leo Ballard*
